- God told Moses to speak to a rock to give the people water.
- Moses disobeyed God and hit the rock two times instead.
- The people drank the water, but God said Moses would not enter the promised land because he disobeyed.
- God planned to give His people a new leader.

CHRIST CONNECTION:

Moses disobeyed God and did not enter the promised land. We disobey God when we sin. But God sent Jesus, who always obeyed God. When we trust in Jesus, He brings us into God's kingdom forever.
