

FINGER PAINTING WITH GOD

CRAFT ACTIVITY

ITEMS NEEDED: Finger paints, paper, smocks, wipes

ADVANCED PREPARATION: Make a paint station for each child.

DIRECTIONS: Remind the children of today's story. How God rested, giving us a special day to remember all that God has done. We can remember how God made our friends, our families and even us. Encourage them to paint however they are inspired by the story. As they paint, read Genesis 2:1-3 from a child-friendly version of the Bible. Have adult workers help kids clean up after they have finished painting. *(Water colors can also be used for those who seek a less messy option.)*
